LCAP Community Forums

What is the Local Control and Accountability Plan (LCAP)?

The LCAP is a critical component of the Local Control Funding Formula (LCFF), the state's funding system for our schools. Each school district is asked to engage parents and the community to update a plan that explains its goals and strategies for improving achievement for all students.

What is the Purpose of Input Sessions?

- ☐ The purpose for our input sessions is to provide stakeholders the opportunity to provide feedback around our goals and specific actions identified as critical to the improvement in student academic success.
- ☐ The input received from all these sessions will be used to inform the update of our current plan.
